Women's Camp 2026

Still Carrying What the Lord Started

Ladies, it was such a joy to have you at Formidable Women's Camp! We're continuing to pray that what the Lord began in your hearts over those days will keep growing and bearing fruit.

Our prayer is that you would have an ever-deepening revelation of how much the Lord delights in you — not because of what you accomplish or how well you perform, but simply because you are His beloved daughter. May His love settle deeply into your heart and shape the way you see yourself, your relationships, your calling, and your future.

Don't let what God spoke to you at camp become just a beautiful memory. Keep leaning in, keep listening, and keep making room for Him to transform your heart.

And ladies... send your men to Man Camp! Sept 25-27 also at Blue Bronna. We believe the Lord has something powerful for them too. Let's see our families strengthened as both men and women encounter the Father's heart and learn to live from His love.

We're cheering you on and continuing to pray for you! You are formidable because you are deeply loved.

We are waiting confirmation for the next formidable women's camp May 2027!

Spiritual Direction

What is moving in you—and where might God be in it? Spiritual direction is a place to slow down, listen, and become more attentive to the movement of God within your actual life.

It isn't counselling, coaching, or someone telling you what to do. It is a prayerful conversation—a place to notice your desires, questions, resistance, consolation, struggle, and invitation, and to discern how God may already be meeting and leading you there.

At Formidable, spiritual direction is part of the path of restored discipleship: learning again to recognize the voice and movement of Christ and respond faithfully.

Whether you are in a season of transition, wilderness, growth, uncertainty, or simply longing to go deeper, I would be honoured to walk with you for a while.

Come. Slow down. Pay attention. Discern what is moving. And discover where God may be inviting you next.
